Detailed Ride Itinerary

Day 1: Join tour in Bath, cycle to Portsmouth

(145km & 1400m[⬆] / 90 miles & 4600 feet[⬆])

We meet in Bath for a trip briefing and load the support vehicle with luggage. After a short cycle through the outskirts of Bath, our route passes along country lanes and to the beautiful city of Salisbury. After lunch we'll continue our ride southeast to Portsmouth for our evening meal before boarding our overnight ferry to Caen.

Day 2: Caen to Evreux

(140km & 750m[⬆] / 87 miles & 2500 feet[⬆])

After a good night's rest and breakfast on the ferry, we arrive in Caen early and begin our first day's ride in France. Our route begins by crossing the estuary of the river L'Orne then head east, parallel with the English Channel to Touques. Here we continue southeast to our overnight stop in Evreux.

Day 3: Evreux to Paris

(113km & 1000m[⬆] / 70 miles & 3300 feet[⬆])

Our ride today begins northeast of Evreux to the town of Vernon where we meet the river Seine. We follow the river into the outskirts of Paris. Heading into the centre of Paris, we pass the famous Arc de Triomphe, down the cobblestone Champs-Élysées before finishing under the Eiffel Tower for our all-important photos. Well done, you've made it! From here, we'll make a short cycle to our hotel and prepare for our celebratory meal.

Day 4: Paris to Bath

Today you have to explore this wonderful and diverse capital city. Highlights include a trip up the Eiffel Tower (not for the faint-hearted!), sampling some local cheese, visiting Le Louvre, a boat trip on the Seine, or simply a stroll (walking, not cycling!) around the atmospheric streets. It is up to you to make your way back to the UK, this also gives you the opportunity to spend more time in Paris if you so wish. The support vehicle will be driving back to Bath with your bicycles and luggage, and you will be able to pick them up at a designated point in the days following the trip.

Trip Notes

Trip suitability

You will be cycling for between six and eight hours each day but this is not a race! This is a group trip and we like to cycle as such. You will be cycling through rolling countryside which can be hilly, and the pace will be determined by your Cycle Leader. If you are unable to keep to this moderate pace, you will be asked to travel in the support vehicle.

You must prepare before coming on the trip, anything cardiovascular will help as will of course cycling. Importantly you need to do some 6+ hour cycles so you will know what is required. **You will need to get some hill practice in!**

We can provide you with a training plan but you will need to be comfortable cycling for several hours at a time through hilly terrain. If you are unsure or require our training plan, please contact us on info@moreadventure.co.uk.

Weather & Climate

The weather can vary hugely on this trip so it is essential that you are prepared for sunny (fingers crossed) and poor weather as it can rain at any time of the year and mornings can be chilly. Our recommendations on what clothing to bring will be issued upon booking.

Health

Your health and safety is our number one priority during any trip with More Adventure. For this reason, our leaders are the very best in the business, they all hold relevant outdoor First Aid Certificates and have hands-on practical medical experience in a variety of environments.

It is recommended that you visit your GP well in advance about any pre-existing medical conditions you have. We will require a comprehensive medical declaration form that may need to be verified by your GP.

Insurance

We recommend that you obtain travel insurance before booking any trip. Personal travel insurance is compulsory on any More Adventure trip and should be obtained before booking onto a trip. As a minimum we require your cover to include medical expenses including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and damage/loss of luggage and personal effects (including your bicycle).

We also recommend you take out bicycle insurance for this trip. If you're looking for reasonably-priced, specialist bicycle insurance, we have teamed up with [Yellow Jersey Cycle Insurance](#).

They offer specialist cover for bicycles including all the standard cover you'd expect but also cover other things like race fee cancellation, crash damage, wheels cover and even theft from inside a vehicle. Use the code MOREADV10 for 10% off.

Please be aware that your More Adventure leader will be checking your insurance documents on the first day of this trip and may refuse you to join the trip if your insurance cover is insufficient. The insurance company's 24 hour emergency contact number will need to be seen by your leader.

Money

Evening meals each evening tend to cost between £15 and £20. You will also need to budget for any excursions, travel around Paris and lunch on day 4. You will need Euros to spend in France.

Accommodation

The first night is spent on the ferry in comfortable twin cabins with hot showers and comfortable beds. Accommodation on Day 2 & 3 for this trip is in good quality, comfortable hotels. All have hot water showers and excellent amenities.

Food

Breakfast will vary each morning but will generally be continental-style with hot drinks and juices. Lunches will be laid out for you to help yourself at each of our lunch stops. They will include breads, ham, cheese, tuna, salad, fruit, pasta and cereal bars. We will also be stopping at shops along the way for people to buy snacks and drinks.

Evening meals and drinks are not included and we will give you the opportunity to eat out as a group at a local pub/restaurant each evening. Approximate costs per evening meal £15-£20.

Equipment

We recommend road bicycles for this trip. Please contact us if you are unsure whether your bike is suitable.

Bikes are not included in the price. It is very important that your bike is in good working order and that you bring plenty of spares. Please bring at least four spare inner tubes. Your Cycle Leader will assist you with any minor bicycle repairs.

You must bring suitable, reasonably new tyres (e.g. Continental Gatorskin, Bontrager AW3 Hardcase; Schwalbe Marathon Plus). We recommend using [Wiggle \(click HERE\)](#) or [Chain Reaction Cycles \(click HERE\)](#) for the best value and quality in cycling clothing and equipment.

We do not provide helmets but we strongly recommend you bring your own to wear.

Clothing

It is crucial to be prepared for the weather! The trip will continue in all but the absolute worst of weathers. Generally the best clothes to wear while cycling are light and comfortable. Please bring a lightweight waterproof top and a lightweight windproof top. Make sure you bring enough clothes for each day's cycling and for evening meals.

Luggage

All luggage will be transported between hotels as you cycle. You are therefore limited to one suitcase/large holdall and one daysack. Please bring a suitable bag to carry waterproof, windproof and snacks whilst cycling. This could be a [small pannier](#), a daysack, a [large saddlebag](#) or [handlebar bag](#). Bike boxes and bags can be transported on the support vehicle throughout the trip if needed.

Leaders

This trip is led by at least one experienced and qualified cycle leader who will cycle with the group at all times. They guide and encourage the group, and help deal with any bicycle mechanicals. In addition to this, another leader drives the support vehicle offering assistance where necessary and transfers all luggage from one hotel to the other.

This trip will run on a minimum number of 10 persons. Please do not book any transport to/from the trip until it has been confirmed by email that it will run.
