

Three Peaks Cycle (4 Days)

Trip code: TPF

Overview

 Total 6 days

 Hotel/B&B

 Difficulty: 

 Cycling/trekking 4 days

 Scotland, England & Wales

 June - September

Climb the highest mountains in Scotland, England and Wales, AND cycle in between them - all in four days! The Three Peaks Cycle Challenge is a remarkable journey along some of the finest roads and through some of the best scenery in the UK. In addition to this, the three highest peaks in Britain - Ben Nevis, Scafell Pike and Snowdon - will have you climbing nearly 3000 metres on foot through the wild landscapes of Scotland, England and Wales. If you're looking for the ultimate UK-based challenge, then this is it!

"I'd recommend the experience to anyone (and have been doing). A great adventure, and brilliant way to experience some of the best the UK has to offer. I'm sure some of the memories will stay with me a long time"

Chris, 2014

Highlights

- Reaching the highest point in the UK, Ben Nevis
- Epic climbs and downhills through Glencoe and Rannoch Moor in the Scottish Highlands
- Cycling through the beautiful countryside of the Lake District
- The rugged peaks and valleys of Snowdonia
- Completing the Three Peaks Cycle Challenge!

Detailed Ride Itinerary

Day 1: Arrive in Fort William, Scotland

The tour begins at Fort William where you'll be met at our hotel by the More Adventure team for a trip briefing and evening meal. There are good connections to Fort William from Glasgow. We may also be able to help out with getting your bicycle and luggage to the start if you're planning to travel by train or plane.

Day 2: Glen Nevis - Ben Nevis (1345m) - Paisley

Cycling 104 miles & 5000 feet / 167km & 1500m

After breakfast in the hotel, we will be transferred by taxis to Glen Nevis Visitor Centre where we tackle our first mountain of the trip, Ben Nevis. At 1345m, Ben Nevis is the highest mountain in the UK and the longest climb of the challenge. Back down at the visitor centre you'll be united with your bicycles. After a quick change of clothing you'll begin the first ride of the challenge, through the mighty Scottish Highlands, over Rannoch Moor, then along the glorious banks of Loch Lomond. Our overnight stop this evening is Paisley, just west of Glasgow.

Day 3: Paisley - Keswick

Cycling 131 miles & 7000 feet / 211km & 2100m

We're cycling all day today, beginning with the slightly busier roads just southwest of Glasgow. Once we've cleared the outskirts we continue south on the quieter roads of the Scottish Borders and Lanarkshire. Dramatic mountain scenery abounds as we ride south towards England, finally crossing the border at Gretna. Our route skirts the west of Carlisle before heading south into the beautiful Lake District and to our overnight stop at the market tourist town of Keswick.

Day 4: Keswick - Seathwaite - Scafell Pike (978m) - Warrington

110 miles & 5500 feet / 177km & 1700m

We begin today by cycling 8 miles south along Derwent Water to Seathwaite which marks the start of our second mountain of the trip. Scafell Pike (978m) is the smallest of the three mountains, but with two tough days already in our legs, it certainly won't feel like it. Once we've tackled Scafell Pike, we'll jump back on the bikes towards Keswick then ride south through stunning scenery of the Southern Lakes, through Grasmere, Ambleside, Windermere and Kendal. With most of the climbs out of the way, it should be an easier afternoon as we ride through Lancashire and Cheshire to our overnight stop in Warrington.

Day 5: Warrington - Pen-y-Pas - Snowdon (1085m)

90 miles & 4100 feet / 145km & 1300m

The final day of the challenge has arrived, with an extremely flat morning, one main climb at the end, and then trekking the final peak, Snowdon. We head southwest through Cheshire just to the south of the Mersey. We'll cross the border into Wales and follow the coast west through the county of Flintshire and through the seaside towns of Prestatyn and Rhyl. Just beyond Colwyn Bay our route heads south along the river Conwy to Betws-y-Coed. From here we climb up into Snowdonia National Park on a stunning road through forests and vast mountains. Our cycling ends at Pen-y-Pas where we'll get changed into hiking gear for the final mountain - Snowdon (1085m). Just a couple of hours later we'll be stood on the summit then trek back down to Pen-y-Pas where we'll be transferred by minibus back to Betws-y-Coed for a celebratory meal and our final night of the trip. Congratulations - you've just completed the Three Peaks Cycle Challenge!

Day 6: Betws-y-Coed - Chester train station

After a good night's sleep and a hearty breakfast, a bus will pick you up from the hotel door (no more cycling!) and transfer you, your bike and luggage to Chester where there are excellent train connections all over the UK. This is where the trip ends and we say our goodbyes (*please contact us about further bicycle and luggage transfer options if you'd prefer not to travel with your bicycle*).

This itinerary is a guide only and can sometimes be subject to change due to unforeseen circumstances. Whilst we endeavour to uphold the proposed daily mileages, this cannot be guaranteed due to changes to hotel bookings.

Included

- Cycle leader(s)
- Mountain guide(s)
- Support driver and vehicle
- 5 x night's hotel accommodation based upon twin sharing
- 5 x breakfasts
- Bicycle mechanical support
- First Aid cover

- Transfer from Betws-y-Coed to Chester
- GPX files of the route (if requested)
- Kit list, joining instructions and training plans

Not Included

- Transport to/from meeting points
- Bicycle and Helmet
- Lunches, evening meals and drinks
- Travel Insurance

Trip Notes

Trip suitability

This is a demanding challenge with some very long days cycling and walking. You have to be prepared for some days in the saddle which will include some considerable climbs through very rugged landscapes.

Your cycle leader will determine the pace and if you are unable to keep to this pace, you will be asked to either travel in the support vehicle or you will be provided with detailed route notes to continue at your own pace. In the lead up to the event, build up your fitness in plenty of time with a sprinkling of running, cycling, walking, swimming and any other cardio activity you enjoy. Remember to eat properly, don't overdo it and have rest days. You will need to get hill practice in - both walking and cycling!

If you would like a more detailed training plan, please contact us on info@moreadventure.co.uk. Most important of all is a positive attitude!

Weather & Climate

The weather can vary hugely on this trip so it is essential that you are prepared for sunny (fingers crossed) and poor weather as it can rain at any time of the year and mornings can be chilly. Our recommendations on what clothing to bring will be issued upon booking.

Health

Your health and safety is our number one priority during any trip with More Adventure. For this reason, our leaders are the very best in the business, they all hold relevant outdoor First Aid Certificates and have hands-on practical medical experience in a variety of environments.

It is recommended that you visit your GP well in advance to discuss your trip and any pre-existing medical conditions you have. We will require a comprehensive medical declaration form that may need to be verified by your GP.

Insurance

Personal travel insurance is compulsory on any More Adventure trip. As a minimum, we require your cover to include medical expenses including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and damage/loss of luggage and personal effects (including your bicycle).

We also recommend you take out bicycle insurance for this trip. If you're looking for reasonably-priced, specialist bicycle insurance, we have teamed up with [Yellow Jersey Cycle Insurance](#).

They offer specialist cover for bicycles includes all the standard cover you'd expect but also cover other things like race fee cancellation, crash damage, wheels cover and even theft from inside a vehicle. Use the code **MOREADV5** for 5% off.

Please be aware that your More Adventure leader will be checking your insurance documents on the first day of this trip and may refuse you to join the trip if your insurance cover is insufficient. The insurance company's 24 hour emergency contact number will need to be seen by your leader.

Money

Lunches will cost between £8 and £10. Evening meals tend to cost between £10 and £15. You will also need to budget for any extra excursions and snacks.

Accommodation

Accommodation for this trip is in good quality, comfortable hotels. This is based upon twin sharing unless a single supplement is paid. The single supplement for this trip is £255 and can be added upon booking (subject to availability).

Food

We will eat breakfast in the hotels and will generally be continental-style with hot drinks and juices. Lunches will be eaten at local cafes and restaurants during riding days, there may also be the opportunity for coffee stops along the routes. We will also be stopping at shops along the way for people to buy snacks and drinks.

Evening meals and drinks are not included and we will give you the opportunity to eat out as a group at a local restaurant each evening. Approximate costs per evening meal £10 and £15.

Getting to/from the start/finish of the trip

We may be able to help with transporting your bicycle and luggage to the start of the trip and back to your home once the trip has finished. If you are flying or getting a train to Glasgow at the beginning of the trip, we may also be able to pick up your bicycle and luggage and transfer them to the start of the trip. Please email info@moreadventure.co.uk for further information.

Equipment

For cycling

We recommend road bicycles for this trip. Please contact us if you are unsure whether your bike is suitable.

Bikes are not included in the price. It is very important that your bike is in good working order and that you bring plenty of spares. Please bring at least four spare inner tubes. Your Cycle Leader will assist you with any minor bicycle repairs.

You must bring suitable, reasonably new tyres (e.g. Continental Gatorskin, Bontrager AW3 Hardcase; Schwalbe Marathon Plus). We recommend using [Wiggle \(click HERE\)](#) or [Chain Reaction Cycles \(click HERE\)](#) for the best value and quality in cycling clothing and equipment.

We do not provide helmets but we strongly recommend you bring your own to wear.

For climbing

You will need suitable trekking equipment and clothing to climb the three mountains safely, including waterproofs, warm clothing, a small rucksack, water bottles and sturdy walking boots. A full clothing and equipment list will be issued upon booking.

Clothing

It is crucial to be prepared for the weather! The trip will continue in all but the absolute worst of weathers. Generally the best clothes to wear while cycling are light and comfortable. Please bring a lightweight waterproof top and a lightweight windproof top. Make sure you bring enough clothes for each day's cycling and for evening meals. Better to "have and not need than to need and not have"!

Luggage

All luggage will be transported between hotels as you cycle. In addition to a medium suitcase or holdall and 20-30 litre trekking rucksack, please bring a suitable bag to carry waterproof, windproof and snacks whilst cycling. This could be a [small pannier](#), a daysack, a [large saddlebag](#) or [handlebar bag](#).

Leaders

This trip is led by at least one experienced and qualified cycle leader who will cycle with the group at all times. They guide and encourage the group, and help deal with any bicycle mechanicals. In addition you will have qualified Mountain Leaders leading on the mountain days. One leader drives the support vehicle offering assistance where necessary and transfers all luggage from one hotel to the other.

This trip will run on a minimum number of 10 persons. Please do not book any transport to/from the trip until it has been confirmed by email that it will run.

How to book

1. Find a date that suits you on our website
2. Click 'Book Now'
3. Fill in your personal details (if you are booking for a group, or if you wish to share with a specific member of the group, there is an option here to do so here)
4. Fill in your medical details
5. Invite your friends if you wish!
6. Click on 'Make Payment' and securely pay through Worldpay
7. **Congratulations - you've now secured your place!**
8. You will receive a confirmation email and further information about the trip
