OVERVIEW

Snowdon, Yr Wyddfa in Welsh, is one of Wales's most recognisable landmarks. On a clear day the summit views stretch across Snowdonia to Anglesey, Pembrokeshire and Ireland.

Tackle this fully guided hike with our qualified, experienced and fun mountain leaders. There are several routes to the summit, each with a different feel and length. Your leader will choose the route with you, depending on the weather, the group and what you'd like to get out of the day. We recommend arriving the night before, and we're happy to suggest places to stay.

★★★★★

"More Adventure were amazing. The hike was very well organised and our guides made the challenge fun. I will definitely be doing more challenges with these guys!"

DAY BY DAY

DETAILED ITINERARY

1

ONE-DAY HIKE | SUMMIT 1,085M

DAY 1: CLIMB SNOWDON

08:00 Meet your More Adventure leader(s) at the meeting point in your joining instructions for a safety briefing and kit check, and catch a bus or taxi to the start of your route if needed.

09:00 Start your hike. Most groups take the Pyg Track or the Miners' Track from Pen-y-Pass; the Watkin Path and the Snowdon Ranger are quieter alternatives. It's possible to go up one route and down another, and at certain times of year you can return to Llanberis on the mountain railway.

12:00–13:00 Reach the summit of Yr Wyddfa, the highest mountain in Wales. 13:30 Start the descent.

16:00–17:00 Arrive back safely for a celebratory drink. Congratulations, you made it!

GOOD TO KNOW

TRIP NOTES

TRIP SUITABILITY

You need to have a good level of basic fitness and some experience of walking with a rucksack in hiking boots. You will be walking through mountainous environments on uneven and steep terrain that will be challenging at times. This is a group trip and we aim for participants to enjoy it as much as possible, for that reason we recommend you undertake some challenge-specific training before the challenge, details of which will be included in the Joining Instructions. Anything cardiovascular will help (walking, cycling, swimming, running, gym), but we also recommend you have practice tackling some hills whilst wearing the boots and rucksack you'll be using on the mountain. Importantly you need to do some longer (2+ hour) walks so you will know what is required. We cannot control the weather so don't forget to bring your sense of humour on the hill! The more you train, the more you'll enjoy this incredible hiking challenge! For a more detailed training plan, please get in touch.

WEATHER

The weather in the mountains of Snowdonia is variable throughout the year and in a single day you can experience all four seasons. It is absolutely essential that you are prepared for all weathers and be able to carry 2 litres of water. Whilst North Wales has its fair share of good weather, it can rain at any time of the year and mornings can be chilly. Our recommendations on what clothing to bring will be issued upon booking.

HEALTH

Your health and safety is our number one priority during any trip with More Adventure. For this reason, our leaders are the very best in the business, they all hold relevant outdoor First Aid Certificates, and have hands-on practical medical experience in a variety of environments. It is recommended that you visit your GP well in advance to discuss your trip and any pre-existing medical conditions you have. We will require a comprehensive medical declaration form that may need to be verified by your GP.

EQUIPMENT

There are few specialist items required on this challenge but we do make some recommendations in the Joining Instructions to make your hike more pleasurable.

CLOTHING

It is crucial to be prepared for the weather! The trip will continue in all but the absolute worst of weathers so it's important you are wearing and carrying the correct items of clothing. Generally the best clothes to wear while hiking are light and comfortable but you will also be required to carry waterproofs and warm clothing at any time of the year. A comprehensive clothing and equipment list is included in the Joining Instructions. Remember, it's better to "have and not need than to need and not have"!

LEADERS

This trip is led by at least one experienced and qualified mountain leader who will lead the group at all times. They guide and encourage the group, and help deal with any issues that arise. Please do not book any transport to/from the trip until it has been confirmed by email that it will run.

HOW TO BOOK

1. Choose a date on our website and click ‘Book now’
2. Fill in your details (you can book for a group) and your medical details
3. Pay a 40% deposit securely by card to secure your place
4. You’ll get a confirmation email with further trip information
5. Pay the balance no later than 5 weeks before the trip, in instalments or in one go
